EXPERIENCE

DENTON DESIGN / JULY 2018 - PRESENT

Owner, Freelance Design

ONE NORTH INTERACTIVE / CHICAGO / AUG 2012 - JUNE 2018

Partner, Managing Director of Creative Services

Built and managed a team of CDs, ADs, Designers, and FEDS while forging a creative culture from the ground up. Played a critical role in establishing long-lasting client relationships through sales, services, and thought leadership. Conceived and implemented processes and procedures to help the team and agency-at-large run intelligently and efficiently across 150+ clients. Responsibilities included:

- Brand discovery, creation, refresh, and extension
- Creation and evolution of complex identity systems
- Nurturing design thinking and philosophies
- Creative account oversight
- Design of digital ecosystems
- Art direction of photo and video shoots
- Sales pitch creation and delivery
- Client presentations
- Thought leadership
- Talent development
- Member, senior leadership team
